

Risers - Cork

The risers are stored in Colaiste Choilm, Ballincollig, Co. Cork .

They are to be collected and returned by arrangement of the choir. Please note these risers do not have railings.

Here is a breakdown of the weight 1 section of 6 ft. Tourmaster 2000 weighs 130 lbs – 59 kg. It unfolds into 3 steps with the capacity to hold 12 persons. 4 x 59 kgs = 236 kgs

The back rail for each section weighs 31 lbs – 14.1kg, 4 x 14.1 = 56.4 kgs

Total weight 292.4 kgs - to hold 48 adults. Six sections (3 step) Wenger Tourmaster Choral Riser setup straight configuration. Width approximately 23.5 ft (282"). Depth approx 6 ft (72"). Height approx 2 ft (48").

Hire of the Risers is free for Members of Sing Ireland (Non-Member rate available upon request). An honorarium of €75 is payable to Pat O' Connell at Colaiste Choilm for helping to arrange the collection with you and return of the risers.

To book the Risers

- Check availability for the dates you require the risers by filling in this [booking form](#).
- Risers cannot be released without the Liability Insurance Form signed and returned with a copy of your PLI Policy as proof that you are covered, [download it here](#).
