

**SING IRELAND PUBLIC LIABILITY INSURANCE COVERING THE “TOURMASTER”
CHORAL RISERS WHILE IN POSSESSION OF THE HIRER**

The Public Liability Insurance policy of Sing Ireland covers the hiring or loaning of choral risers to other parties, but only covers the liability of Sing Ireland and DOES NOT extend to cover the liability of any other parties using the said risers.

The hirers of Sing Ireland’s choral risers must ensure that their own respective public liability policies cover their use of the choral risers for damage, fire and theft while this equipment is in their possession, this also includes the transportation of the choral risers where the hirer is responsible for moving the equipment to and from their concert venues and back to the store in Le Chéile Secondary School, 15 Tyrrelstown Way, Hollystown, Dublin 15.

The hirers will also extend their policy to indemnify Sing Ireland as owners of the choral risers.

As Conductor/Secretary of the _____ (name of choir or organisation)

I acknowledge and agree with the conditions of the insurance policy of Sing Ireland for the hiring of choral risers. I include a copy of our Public Liability Insurance Policy, as proof that the choral risers are covered for Public Liability while in our possession.
