

Video Resources

Video Resources for Choirs

Curated sessions from Sing Ireland's International Choral Conducting Summer School, featuring leading experts in choral training, vocal health, and warm-ups.

Vocal Warm-ups

- Bernie Sherlock - [Watch on YouTube](#)
- Aira Birzina - [Watch on YouTube](#)

Vocal Technique & Production

Aisling Kenny - [Watch on YouTube](#)

YouthSing Resources

On the Sing Ireland website you will find [YouthSing Resources](#) with songs composed by Dr. Seán Doherty and Dr. Róisín Blunnie with teaching videos, materials, student activity pages and music score.

Song Seeking Songbook

Working with singing groups with people on the move? Check out the songs composed and arranged with our Song Seeking participants [here](#).

Video Resources

SWAN Resources

Check out the Sing Ireland website for [SWAN Resources](#): SWAN stands for Singing with Additional Needs and seeks to draw on best practices from different European countries to include people in collective singing who have additional needs due to disabilities and/or physical or psychological health issues.

PRESTO Resources

Check out the Sing Ireland website for [PRESTO Resources](#): PRESTO: 'Practices and Resources for Equipping Schools to Teach Music Online' as part of the Erasmus + project.

Ageing Voices Resources

Check out the Sing Ireland website for [Ageing Voices Resources](#): Sing Ireland and [Creative Aging International](#), supported by [Creative Ireland](#), are developing Ageing Voices to offer tools and networks which encourage singing for health and well-being amongst adults, whether they live in the community or in care. Below you will find a series of Guidebooks and Video resources providing accessible expertise made from practical experience, showcasing great examples of singing groups for ageing voices, care and well-being, and also to highlight tools and training opportunities.
